

# WM Touch

## Wall Mounted touch screen control solution

The WM Touch is a wall-mounted touch screen solution aimed at remotely controlling audio system functionalities, such as zone level and source selection, system scenes recall, and system on/off.

The WM Touch is designed to fit single gang electrical boxes from all countries and can be mounted vertically or horizontally. Each box contains the necessary metal frame for wall mounting.

The WM Touch can be configured to adjust the level and/or pick the audio source for single and multiple zones. It can also be used for recalling different system configurations, and for turning the entire system on/off. Users have the freedom to choose what controls to display or hide, according to their installation needs.

The WM Touch is designed to match Mezzo's routing matrix capabilities and to flawlessly integrate in a Dynamic Music Distribution system, and can be conveniently configured through ArmoniaPlus.

### Technical Specifications

Dimensions L: 127.4 mm x H: 86.4mm x D:14.4 mm

LCD Screen 4.3 inch

Aspect Ratio 16:9 (W:H)

Mounting Option Wall mount

Orientation Landscape or portrait

Brightness 300 nits

Power Supply (not included) PoE Injector or PoE Switch

Weight 160 g

Operating Temperature 0°C to 45 °C

Connectivity 0°C to 45 °C

Max Cable Length 100 m (Cat5 or above)

USB 100 m (Cat5 or above)

Accessories Included 1x Metal plate for wall-mounting  
1x Wall-mount removal pin
